

## **Personal, Career & Financial Security**

A short review on Uncle Eric Talks about Personal, Career, and Financial Security by

Richard J Maybury

What is Austrian Economics?

Why is having your own business a good idea?

What skills are necessary to be a successful business owner?

Where does our real personal, career and financial security come from?

What are some reasons that we have to trust the Lord rather than our abilities or the government? Use examples from the book!
