

Orange Julius Counterfeit

- ½ to 1 Cup powdered milk**
- 1 small can frozen orange juice**
- 3 cans water**
- 2 Cups ice**
- ¼ Cup sugar**

Mix in blender and serve immediately.

Meredith Curtis

Nowadays, malls have food courts where there is a wide variety of food & drinks to choose from. When I was a pre-teen haunting the malls on Saturdays with my friends, there was no food court. There was only one place where you could buy pretzels and another where you could buy Orange Julius's, a frozen drink that we enjoyed, made, of course, with Florida orange juice.
