

## Vegetable Cheese Squares

**1 Tube Crescent rolls**

**4 oz Cream Cheese**

**1/4 Cup Ranch Dressing**

**1 Bag California Blend Vegetables**

**1 Cup Shredded Cheese (more or less if desired)**

**Preheat oven to 375 Degrees. Boil vegetables until tender. Roll crescent dough across bottom of cake pan and bake until golden brown. Mix cream cheese and ranch dressing thoroughly; it is okay if it has clumps in it. Use spoon to spread cream cheese-ranch mixture over the cooked crescent dough. It should be hot enough to melt cream cheese-ranch mixture. Evenly spread vegetables over dish. Sprinkle cheese on top of vegetables. Bake until cheese is melted.**
